

Journal No. 2

Reflection

Name: _____ Due: Tuesday October 11, 2011
Monitoring Teacher: _____

1. Describe your first impressions: your supervisor's expectations, the friendliness of the placement, the job, your duties.

2. What has surprised you about your placement?

3. Describe how you can create work through your own initiative. List below at least five jobs that you can do when there is slack time.

4. What do you like most about your boss?

5. Describe one problem that you have had at your placement.

6. What skills have you learned at work that make you a better student at school or person in general.

7. Define positive attitude. Give one example of a positive attitude that you have displayed at your co-op placement.
